## Biography

Cüneyt Kaya was born in Berlin in 1980. After graduating from high school, he studied Mathematics at the Freie Universität Berlin before focusing on film. From 2004 to 2006, he was commissioned by the EU to develop several documentaries on refugee movements in Europe. In collaboration with local filmmakers, he led months of research in England, Poland, Italy and Spain.

Since his debut film UMMAH – UNTER FREUNDEN, Cüneyt Kaya has developed and shot various films for cinema and TV.
